At the Meat-Ting Place Organics we will endeavour to make sure your order is filled and perfect every time. We are, however, dependant on our suppliers and farmer's which means that the following should be kept in mind when ordering.

Products:

- Please specify your quantity e.g 3 packs x 500g (total 1.5kg)
- All products are packed on trays of approximately 500g unless specified otherwise.
- Our products are certified organic (with the exception of pork & duck).
- Our pork is certified free-range, free from chemicals & RSPCA approved.
- Our duck is certified free-range.
- All sausages & smallgoods are made by us fresh on the premises.
- Certain items are not always carried in stock and may need to be specially ordered.
- Certain products only sell seasonally so we keep them frozen for colder months – e.g lamb shanks, osso bucco.
- All chicken frames and premium sausages are provided frozen.

Should you require anything that is not on our list, please call or email our store to enquire about its availability.

Unforeseen Circumstances:

Due to unforeseen circumstances deliveries sometimes do not always arrive on the expected delivery day, this can be due to supplier demand, drought, flood or freight problems etc, therefore we are sometimes unable to supply products.
